

VACANCY

Aartselaar

We are looking for both **full-time** and **seasonal** tent builders

Tent Builder Organic-Concept

Unique Tent Structures, Luxury/Eco Tented Camps

Organic-Concept, market leader in unique tent structures and developer of luxury, eco tented camps, consists of an international network of partners and distributors and is strongly committed to quality and service. Organic-Concept has its headquarters in Aartselaar and is one of the largest tent and tent installation companies in the Benelux. With a wide range of products and services, Organic-Concept takes care of the engineering, production and installation of organic tent structures/ luxury/eco tented camps and on-site assignments. This makes Organic-Concept, a reliable partner for both small and large projects in the event- and eco-tourism industry.

In order to further expand and optimize the rental & sales segment within Organic-Concept we are looking for **m/f/x**:

Tent Builder

Job Description

- As a tent builder you will install our multifunctional tents at the most diverse and exclusive outdoor locations. Both national and international projects.
- You communicate directly with clients and contribute to developing client relationships.
- The overall completion of projects also belongs to your responsibility (floors, accessories).

Profile

- Someone who likes to work outside and enjoys a physical challenge.
- No 9-5 mentality.
- You perform well in a team.
- Solution and result oriented.
- You have a driving licence B (BE, C or CE is a plus).
- You have a basic knowledge of Dutch and English (French is a plus).
- Easy going and responsible for smooth communication with clients.

What we offer

- You will have the opportunity to work with an interesting and high-quality product range.
- You will be working in a sector that offers new challenges every day and where each day is different.
- We offer a varied job in a pleasant working environment and a young & dynamic team.
- The company attaches great importance to mutual respect, loves direct communication and gives many responsibilities to its employees.
- An attractive remuneration package with the necessary fringe benefits (according to PC 109 task force 4).
- Fringe benefits: mobile phone with subscription.
- Growth opportunities to becoming a team leader.
